

Aman Bansal

Mob: +91-8359075030

Email: amanbansal1722@gmail.com

Place: Kurukshetra, Haryana (136119)

Summary

Proficient in full-stack web development with hands-on experience in HTML, CSS, JavaScript, React.js, Node.js, Express.js and MongoDB. Demonstrated expertise through projects like LogiTrack and FindMySpace and developed backend systems like a Railway Reservation System. Strong analytical skills in MySQL, SQL with a keen interest in Database Management Systems.

Skills

Languages: Core Java, C++, JavaScript, TypeScript, HTML, CSS

Frameworks: Bootstrap, React.js, Node.js, Express.js, NestJS, Redux

Database: MongoDB, MySQL, SQL, RDBMS

Familiar With: REST APIs, Basic Python, CI/CD pipelines, Operating System, DBMS, DSA, OOPs, SDLC.

Projects

LogiTrack: (Website Link)

- Designed a full-stack web application allowing users to book and publish available trucks. [GitHub Link](#)
- Enabled truck owners to publish unoccupied space for return journeys from point B to point A.
- Tools: HTML, CSS, JavaScript, EJS, Node.js, Express.js, MongoDB, NodeMailer.

FindMySpace: (Website Link)

- Developed a platform that allows users to find and post available hostel/PGs and Flats. [GitHub Link](#)
- Enabled users to add, update, delete their spaces, through an intuitive posting interface.
- Tools: HTML, CSS, JavaScript, EJS, Node.js, Express.js, MongoDB.

Railway Reservation System:

- Implemented a SQL database for managing train schedules, bookings and cancellations
- Enabled ticket bookings, seat availability tracking, and record maintenance for passengers.
- Tools: MySQL, SQL.

Education

Master of Computer Applications	August 2022-25
National Institute Of Technology, Kurukshetra	CGPA: 8.304
Bachelor of Science, Math Hons	August 2019-22
Rajdhani College, University Of Delhi	CGPA: 7.946

Achievements

10th & 12th: Achieved **92.8%** in 10th grade and **90.2%** in 12th grade.

NIMCET: Secured **AIR 378** in NIT MCA Common Entrance Test (NIMCET).

DSA: Solved **500+** Data Structure & Algorithm questions on LeetCode and GeeksforGeeks.
